MESSAGE-CADORY/CARBOHYDRATE's Salary  
REF: ECOA-43863

INFO: Chief, EC

1. Summarized in paragraph 1 of Reference were not available at the time ECOA-14416 was prepared, and this accounts for our not having made reference to all amounts authorized for payment to CARBOHYDRATE. We are in complete agreement with your proposal that the presently quite complicated procedure should be simplified so that CARBOHYDRATE gets a straight figure which will meet the appropriate amount for his monthly expenses.

2. In view of the present situation, your estimate of the amount of money he needs for an additional monthly allowance for CARBOHYDRATE to cover his living expenses would be most welcome. We would appreciate your doing this as soon as possible.

3. We have considered the problem of increasing CARBOHYDRATE's monthly salary. We believe that the original proposal of increasing his monthly salary of DM 850 per month by DM 250 immediately even though a detailed study had not yet been completed, is not feasible at this time. At such time as the problem can be studied in detail, appropriate salary changes can be made if they should be necessary.

In view of the arguments raised in ECOA-14416, it would not appear that the proposed increase in monthly salary (DM 850) would constitute a sufficiently high pay raise to entitle CARBOHYDRATE to entitlement to a monthly salary (DM 825) to satisfy CARBOHYDRATE's complaints. However, we believe that CARBOHYDRATE will agree to these proposals because of several factors. First, we believe that CARBOHYDRATE will accept the fact that upon this small pay raise is a sign of our continued good faith. Second, the "fairness" category and the one time payment of DM 250 will be accepted by CARBOHYDRATE. Furthermore, CARBOHYDRATE has agreed to move to FRG a new apartment which will cost him approximately DM 250 per month more than his previous apartment. The DM 250 covers his monthly expenses for rent, utilities, food, transportation, telephone, etc. and the combination of a new apartment and the monthly salary boost has the effect of giving him approximately DM 50 more each month, a figure which we consider will meet with his approval.
